### 2 Model TOEFL Speaking Script

I'd like to talk about a memorable experience I had at a soccer match with my friend. At first, I expected a normal evening, but the atmosphere was electric and the crowd was on the edge of their seats.

Right before halftime, one player had a golden opportunity to score, but he missed the shot by a mile. Everyone groaned, and for a moment it felt like the team had dropped the ball. However, the energy quickly returned because the fans started chanting and cheering even louder.

What made the experience unforgettable was not only the game itself, but also the conversation I had with the people sitting near me. We joked, shared snacks, and talked about how sports can bring people together. It really broke the ice and made the whole event feel warm and exciting.

In the end, my team scored in the final minutes, and the stadium erupted with joy. I remember feeling thrilled, connected, and full of positive energy. That is why this event stands out in my mind as such a special experience.
